

**EMA 2026 ANNUAL MEETING
MEN'S/WOMEN'S SCRAMBLE GOLF TOURNAMENT
GOLF SIGN-UP SHEET**

Dear EMA Member:

The EMA spring golf tournament is scheduled for Wednesday, April 15, 2026, at The Fairmont Grand Del Mar, San Diego, CA. Shotgun starts at 1:00 pm. Arrive at the course at least 30 minutes prior to the shotgun start.

If you wish to participate in this tournament, please mark the appropriate option on your meeting registration form, fill in the attached golf sign-up form, and return it to the EMA office. The tournament will include contests on the course, mulligans, and swag bag.

Please indicate on the attached form if there are any players you'd like to play with; otherwise, you will be assigned a foursome. All players must register to play in the tournament with EMA through the meeting registration form and pay the golf fee. The golf fee includes green fees, cart, box lunch, and a beverage. All golf pairings will be submitted to the golf course by **Wednesday, April 8**.

If you need to request changes once you have sent the attached form, please notify Kim Moses as soon as possible.

Golf fees must be paid at the time you register for the meeting. By signing up in advance, you will be guaranteed a slot in the tournament. Sign-ups after April 8 and on-site will be based on availability and subject to a late fee. To find out if slots are available after April 8, contact Kim.

A box lunch and beverage tickets will be provided. Beverage carts and snacks for purchase will be available on the course. Remember to turn in your scorecard to one of the golf professionals at the course when you complete your round. I will be at the course, along with the golf pro, to answer any questions you may have.

If you cancel the meeting or the golf tournament once you register, you will not receive a refund for golf.

If you have questions, please contact Kim Moses at (703) 739-2200 or see me at the EMA registration desk.

Sincerely,
Brad Green
Golf Committee Co-Chair

Men's/Women's Scramble Golf Tournament
Wednesday, April 15, 2026
1:00 pm – Shotgun Start
